SPRINGFIELD, OHIO.

The Great Carriage Manufacturing House of the World.

CINCINNATI, OHIO, make a good, substantial Top Buggy for \$100, and a strong, durable Phaeton for \$140. The uniform excellence of these

vehicles, resulting from carefully selected material and good workmanship, has given their Carriages a favorable reputation throughout the Union, in localities

where they have been used for years by Liverymen, Physicians, Farmers, and others requiring hard and constant use, and has made the firm of Emerson, Fisher & Co. the acknowledged leading

of the American Continent. These Top Buggies are in every State from Maine

85,000 CARRIAGES

manufactured by Emerson, Fisher & Co. are now in use, attesting their great and merited popularity, and in order to meet the demand which has increased year by year, the facilities of their mammoth establishment have recently been extended, enabling them now to turn out in good style, during the

400 CARRIAGES A WEEK.

The unequalled facilities of this firm enables it to produce good Carriages at a far less cost than the work of small makers in country wagon shops, and that class are now purchasing largely of us to supply their local trade. Send for Illustrated Price List of Carriages.
